

**NO CAMPUS CARD?
NO WORRIES!
USE THE WEPA TAG SYSTEM!**

WHAT IS THE WEPA “TAG” FEATURE?

WEPA has introduced a new feature called the WEPA “TAG” system. WEPA “TAG” is a way in which any card* with a magnetic strip can be “tagged.” Once “tagged,” this card can be used to login at any WEPA kiosk on your campus. This is only for login purposes.

HOW TO USE THE “TAG IT” FEATURE:

1. Login to your WEPA account at a WEPA kiosk.
2. The “Register WEPA TAG” button will be displayed. Simply touch the “Register WEPA TAG” button, and then swipe the card desired to be “tagged.”
3. Once “tagged,” the card can be used to login by simply swiping the card.

If you wish to remove the tag, simply touch the “Remove WEPA Tag” button and then swipe the card, and it will be “Un-tagged.” You can also login online at www.wepanow.com, then go to the “Member’s Area” and click on “Remove Tag” to remove a card from the TAG system.

For more assistance, please contact Customer Service at 1-800-675-7639 or visit us online at www.wepanow.com!

*The card must have enough unique data to TAG.
