## SSS TRIO Student Ambassador, Autumn Ré, organized a Resume Writing Workshop

Pictured below, Yavapai College Career Coach (and SSS TRIO Alum) Linda Brannock provides a framework to build or update a student's resume.

### Targeted Resume

#### A Targeted Resume for a Specific Company

- ▶ Type in the exact title of the position for that particular company and any skills or qualifications that match up directly for the position you are applying for
- ▶ Leave out items not geared toward the specific company or position
- ▶ Remember: The overall goal is to show the employer what position you are applying for and what types of skills and experiences match to that position
- ▶ Ideally every resume should be set up as a targeted resume

ETS TRIO staff collaborated with NAU, YC Early College, and Yavapai County Education Services to provide a Drive-Through FAWSA event at Bradshaw Mountain High School.
