

So What Does Accreditation Mean to You?

- ✓ Ensures transferability of course credits
- ✓ Assures colleges and employers that a student's education meets acceptable levels of quality
- ✓ Allows students access to federal financial aid

How long does accreditation last?

Accreditation operates on an continuing 10 year cycle:

- Annual submission of financial and non-financial data
- Written Assurance Review report submitted in year 4
- Quality Improvement Project Years 5 – 9
- Assurance Review report and on-site visit in year 10
