I am a Realtor in Prescott with Keller-Williams and have lived here permanently since 1980. My late husband Roy and I raised two great children, Royce, 28, married with one baby boy, and Raquel, currently entering Vanderbilt Law School. I am chairman of the Yavapai College Alumni Outreach Board and recently selected to the Yavapai College Foundation Board.

I had the special blessing of meeting my husband, Roy Stringer, at Yavapai College. We were happily married for 31 1/2 years, until last year in February of 2008 he went to be with the Lord. I have special memories of my friends also meeting their future husbands to ball players while at Yavapai College in those years. And all of us did manage to get degrees from YC.

Dr. Koch and Mr. Dickey were always positive and fun in reaching out to the students.

Yavapai College holds many wonderful memories for me and I made lasting friendships that I continue to enjoy. It is with great pleasure that I have had the opportunity to come back and serve as Chairman of the Alumni Outreach Board, and the Yavapai College Foundation Board to enhance the depth of Yavapai College in the community.
