

Cell Phone and Electronic Devices

Purpose

Yavapai College values excellence and caring. The Center for Learning and Innovation maintains an environment conducive to learning, research, and collaboration for all users.

Policy Application

This policy applies to all individuals using Center for Learning and Innovation spaces.

Operational Policy

Cell phones and electronic devices must be silenced in all Center for Learning and Innovation spaces, including classrooms, technology rooms, the library, and tutoring areas.

Phone conversations must be brief and conducted at a volume that does not disrupt others. Conversations using speaker features are prohibited.

Headphones are required for any content with sound.
