 Question: What is the comment made on the proposal about the Tier?

 Tiers will not be visible in the catalog; they are being used on the backend for scheduling. (Tiers are not policy, they are procedure.)

 - b. Program Mod AAFA Performing Arts Concentration & courses
 - DAN 112 Jazz & Tap course deletion
 - DAN 114 Jazz I permanent course proposal
 - DAN 115 Tap I permanent course proposal

The committee viewed the course histories for the three courses. Discussion: A 2-credit hour course is proposed to be deleted, to be replaced by two 3-credit hour courses with more lecture hours than lab, whereas the learning outcomes appear to be primarily activity based. The

primary transfer degree noted does not have 3-credit activity dance courses.
