
Worker's Compensation

POLICY STATEMENT

All Yavapai College employees and documented College volunteers come within the provisions of the Arizona Worker's Compensation Law. Arizona Worker's Compensation provides wage replacement, rehabilitation, and medical benefits for employees who become injured or ill in the course and scope of employment, as well as compensation for dependents of an employee who dies as a result of an on-the-job illness or injury.

Injuries and illnesses occurring on campus or at a College-sponsored function must be documented and reported to the Human Resources department using established forms and procedures.
