
Multiple Degrees

POLICY STATEMENT

A student who has already earned an associate's degree at Yavapai College may earn a subsequent degree according to the following provisions:

1. General education requirements specified for each degree must be completed.
2. All major and related degree requirements specified in an Associate of Applied Science (AAS) degree program must be completed. If a specified course has already been applied to another degree or certificate program, that course competency may be applied to a subsequent AAS degree program.
3. Course substitutions approved for one-degree program do not automatically apply to a subsequent degree program.
4. A minimum of 15 additional semester hours of major and related requirements not applied to the first degree must be completed at Yavapai College. These 15 hours will be in addition to any general education requirements needed to complete the subsequent degree.
5. An Associate of General Studies Degree will not be awarded simultaneously with, or subsequent to, the awarding of any other associate degree. Other degrees may be earned concurrently as long as all of the requirements for each degree are met.
6. A subsequent degree must identify a specific area of study and be directed by an approved educational plan.

Requirements for a subsequent degree program must be completed in accordance with the catalog in effect at the time the multiple degree proposal is approved.

PROCEDURE

A multiple degree proposal request form, along with an educational plan, must be approved by the appropriate Division Dean/Associate Dean/Program Director and the supervising campus dean prior to pursuit of the degree.

A student must file a graduation application and pay appropriate fees for each degree earned.

POLICY HISTORY
