

DRUGS IN THE WORKPLACE: AN EMPLOYER'S DILEMMA

October 14th, 2025

10:00 AM - 11:00 AM

Virtual Webinar

Register: bit.ly/InTheWorkplace

*A request for one hour of human resources recertification credit will be submitted to SHRM and HRCI prior to the event.

Presented by:

Laura Hamblin, JD, SHRM-SCP, SPHR

Laura is a retired employment lawyer and human resources consultant, and former corporate HR executive. She is a licensed Arizona attorney, with two human resources certifications, and is on the board of the Prescott Area Human Resources Association (PAHRA).

Join This Webinar to Learn:

- The steps employers can take if they suspect an employee of being impaired at work, including the immediate response and options for follow up action.
- Factors to consider when deciding if a workplace drug testing program should be implemented, how comprehensive it should be, and if marijuana should be included in the testing panel.
- The legal implications of drug testing, suggested workplace policies, and resources to offer employees.
