WHO ARE WE?

Friends of the Southwest Wine Center (FoSWC) is an auxiliary of the Yavapai College Foundation.

FoSWC is the volunteer group devoted to increasing both recognition and annual unrestricted funds for the programs of the Southwest Wine Center on the Yavapai College Verde Valley Campus in Clarkdale, Arizona.

The Southwest Wine Center serves as a gathering place for students, educators and industry leaders looking to spark innovation, fuel economic development, support regional and national collaboration, and provide a catalyst for research.

Funds raised by the auxiliary support annual academic and programmatic priorities that will provide a margin of excellence for our students and the community.
