

YAVAPAI COLLEGE NAMING OPPORTUNITIES

HEALTH SCIENCES CENTER

YAVAPAI COLLEGE PRESCOTT VALLEY CENTER

EXISTING BUILDING NAMING

More than 40,000 square feet will be renovated to match the state-of-the-art learning environments provided by the new Health Sciences Center construction.

This building will also house interdisciplinary classroom space, operational support areas, and offices to service all Health and Wellness programs at Yavapai College. It will also host space for Early College programs, Adult Education, as well as the Regional Economic Development Center at YC.

- **Level One:** The main floor encompasses Early College Program labs, Radiology, EMS, Allied Health programs as well as multiple interdisciplinary classroom spaces and common spaces for students.
 - + Radiology Program Area
 - + EMS Program Area
 - + Medical Assistant Program Area
 - + Student Lounge
 - + Classrooms and Computer Lounge
- **Level Two:** The second-floor houses additional areas for Allied Health programs as well as Radiology along with a beautiful outdoor roof deck.
 - + Phlebotomy Program Area
 - + Classrooms and Zoom Rooms

The design of the buildings, coupled with a premier location, make this building a destination for aspiring health science students and a tremendous space for business and community.
